

NAVAMI S KULKARNI

Computer Science Engineering Student

kulkarninavami@gmail.com | github.com/knavamis | linkedin.com/in/navami-s-kulkarni-1635823b3

PROFILE

Third-year Computer Science Engineering student with practical experience building responsive web pages using HTML and CSS. Building foundational skills in Git, GitHub, and Java, with a particular interest in cybersecurity and digital forensics. Seeking opportunities in projects, hackathons, and internships to apply and grow technical skills.

EDUCATION

KLS Viswanathrao Deshpande Institute of Technology Expected Graduation: 2028
B.E. — Computer Science Engineering (3rd Year)

TECHNICAL SKILLS

- Proficient: HTML, CSS (responsive web page design)
- Currently building: Git & GitHub, Java

PROJECTS

Personal Portfolio Website

- Designed and built a personal portfolio website using HTML and CSS.
- Structured sections for profile, skills, interests, projects, education, certifications, and contact details.
- Implemented responsive layout for smaller screen sizes.

Automatic Plant Watering System ANKUR-2025

- Built a mini project as part of the first-year college curriculum that automated watering for plants.
- Presented the project at ANKUR-2025 — First-Year Mini Project Exhibition, held on the occasion of National Science Day.

AREAS OF INTEREST

- Cybersecurity
- Digital Forensics

CERTIFICATIONS

Completed online courses through: Infosys Springboard, MongoDB, TCS iON, Udemy, Cisco, and Simplilearn.

ACHIEVEMENTS & ACTIVITIES

- Presented a first-year mini project at ANKUR-2025, held on the occasion of National Science Day.
- Participated in a technical hackathon and received a certificate of participation.
